

# CAS International Banking, Finance and Insurance Law

2025/2026

# CAS International Banking, Finance and Insurance Law\*

In the autumn semester of 2025, the University of Zurich will offer a CAS in International Banking, Finance and Insurance Law as part of the LL.M. program in International Business Law.

## The Program

The CAS (19 ECTS) offers in-depth continuing education in national and international financial market law and examines the current, private-law and regulatory fundamentals and framework conditions of banking, capital market and insurance law. Among others, the following topics are dealt with:

### **Module 1: Institutional framework conditions for banks, investment services and insurance**

- FSB, BIS, IMF and related institutions
- Principles of banking regulation and the insurance regulation
- Insurance supervision and securities regulation
- Principles of combating money laundering and the financing of terrorism
- SNB and FINMA
- International administrative and legal assistance
- Financial markets (CH / international)

### **Module 2: Market participants, products and distribution**

- Consumer and data protection
- Bank and insurance contracts and transactions
- Investment funds
- Stock exchanges and securities trading
- Financial market criminal law, takeover law
- Case Studies

**Students who wish to achieve an LL.M. title can extend their studies and do an LL.M. in International Business Law (70 ECTS).**
